It will be an especially nice event if you're there!

- YAMAHA PISTON PORT class will use the official VKA engine tech.
- YAMAHA LIMITED class, new for this season, is a WKA stock engine. Along with the RLV spec muffler, we're going to allow "RLV Cans" to compete in this group.
- VKA GUIDELINES will be used in this event. To access them, go to vkakarting.com or sugarriverraceway.com.
- HELMET GUIDELINES
Snell safety ratings of 2010 and 2015 must be used.
- KART MAXIMUM WIDTHS
48" for karts 1979 and before.
50" for karts 1980 to 1988.
- CHAMPAIGN CELEBARTION CLASSES THIS YEAR
Dual Rear Group – B-open and C-open.
- The Famous "Master Mechanic's Trophy" will be on display from the 1966 Quincy Nationals – courtesy of Terry Walters.
- Terry Ives from California will be in attendance to meet and greet.

Travel Suggestion:

Racers coming from the east who must come through Chicago might consider skipping the head ache by staying on I-80 West and then come north on I-39. It is longer (by 53 mile vs. through the Windy City). The map program also suggests it will take one-hour longer, but road construction (guaranteed) and traffic issue (maybe, maybe not) in Chicago can make the extra distance actually faster to travel.
