3-LAP MONTE

ENTRY FEE

\$10 EACH

The 3-Lap Monte is a winner-take-all challenge to determine which VKA driver can turn the most consistent lap time over three laps ... not necessarily the fastest laps. The winner will be based on the lowest difference between **FASTEST** lap and **SLOWEST** lap. One kart on the track at a time.

- 1.) If you want to compete in the 3-Lap Monte, sign-up where you registered. We will collect your \$10 later.
- 2.) Later, everyone will be called together to go over how you will compete, and then we will collect the \$10.
- 3.) The pot-winner and 2nd and 3rd place winners will be announced during the Kart Show.

Four Laps:

Lap 1: Warm up
Laps 2, 3, and 4: Timed
