

THE BEST OF VKA VINTAGE KARTING ASSOCIATION'S 25TH ANNIVERSARY

The salute of the **VINTAGE KARTING ASSOCIATION'S 25TH ANNIVERSARY** has started, and you can be part of it. In 2000, twenty-five years ago, a bunch of vintage karters got together at a track in Sugar Hill, NH. They were from all across the country ... from California to New Hampshire and in between. The next year, the **Vintage Karting Association** was incorporated in Nevada.

Over the next 25 years, over 1000 vintage karters have been part VKA, making it *the oldest and largest vintage karting club* in the United States. Now is **your** opportunity to help VKA memorialize the success ... be part of **THE BEST OF VKA** effort.

The plan is to publish **pictures** of and **information** on those VKA members, active and inactive¹, who have been part of the success. **The picture** should be of **you**, holding your helmet, next to your kart(s). This will serve several purposes:

- Help document the 25th Anniversary membership.
- Honor past members.
- Let everyone see what you look like **ON** and **OFF** the track; and
- Highlight you with your kart(s).
- (Try to take the picture with a plain background.)

The information you provide will help your fellow vintage karters, and the public as a whole, know a little more about **you**, your karting history, and the success of VKA.

Fill-out the form (below) and have someone take a picture. (You don't need a professional photographer. Cell phone pictures a fine.) Send both to KartNumber4@yahoo.com.

From there, the picture and the form will be posted on the VKA Facebook page as they come in. As 2025 comes to a close, the plan is to publish all the submission in one place ... suitable for printing.

Be part of **THE BEST OF VKA** effort. Submit your information and picture **now!**

¹ This will require membership support to provide names and information of inactive members or members who have passed.

**THE BEST OF VKA
VINTAGE KARTING ASSOCIATION'S 25TH ANNIVERSARY**
